

HAMPDEN-SIDNEY DEFEATS W. & M.

Bernier Pitches Great Game,
Holding Williamsburg Boys
to Three Hits.

(Special to The Times-Dispatch.)
HAMPDEN-SIDNEY, Va., May 1.—
Hampden-Sidney found no difficulty in
taking the game from William and
Mary this afternoon by the score of
4 to 0. The game was played in the
day a strong wind and rain soon
put the diamond in good shape. The
home team took the lead in the sec-
ond inning when it scored two runs.
The teams made two more in the
fourth in that inning the visitors
made their last two runs counting
on a close decision at the home plate.
Both teams played sharply until Wil-
liam and Mary played a good ap-
parent game. Bernier pitched remarkable
ball, striking out fifteen men and al-
lowing but three hits. The college
base ball game times vary through-
out the games. The score:

Sidelights on the Games

"Scrap iron" Cowan pulled off a
brilliant stunt in the fifth. After get-
ting a life on an error, he stood half-
way between first and second and al-
lowed James to double him up at first,
after the Roanoke fielder had caught
Messitt's high fly. And the funny part
of it was that Cowan watched the
elder catch the ball. Speaking of
bone heads.

In the sixth, Jay Kinsler lifted up
a high fly over the homeplate. Jay got
in the way of Ryan when the
Roanoke catcher, Skipper Clark, caught
the ball and Umpire Pender called him
out. Ryan dropped the ball.

Smith was there with his safe-bingle
in the fourth.

After the fourth Doane had every
one of the Champs on his staff. They
could do nothing with his outdrop, and
he fed 'em that kind right along.

The fierce Mr. Shaughnessy nailed
Walker's first offering in the ninth, and
it was all over but the groaning.

Sandy covered a mile of ground at
short. Nothing could get by him.

Tom Messitt burnt Pender up with
a throw in the eighth. A foul was hit
to the stand and Messitt got the ball
and winged it to the "umps." The
crowd enjoyed the little piece of by-
play.

Roanoke has bought Rhynders, the
best pitcher of the Norfolk Club.
He played against the Champs yester-
day, but did not have an opportunity
to show his full game. Skipper Clark
is going to look out for the first sack
on the Crew.

Harvey Muir was released yesterday.
Five pitchers remain on the staff.
Rhynders, Walker, Bussey and Ashton
are to be the regulars.

Carolina Association

Averett Pitches Well.
(Special to The Times-Dispatch.)
CHARLOTTE, N. C., May 1.—The
pitching of Averett for the visitors and
the dumb work of the locals at critical
times gave the game to Spartanburg
this afternoon by the score of 4 to 1.

The musicians clinched the game from
the start, and the batting rally of the
Hornets in the ninth availing nothing.
At Anderson there was a swiftest,
the locals knocking two Greensboro
players out of the box and winning the
rubber by the score of 7 to 1.

Watters, for Anderson, was invincible,
and the champions further contributed
to their own defeat by loose fielding.

At Greenville, Winston-Salem trim-
med the locals to the tune of 9 to 6.
Both teams batted heavily, but the
twins played better ball. The feature
was the home-run of Beard for
Greenville, which tallied four runs.

At Anderson; Anderson, 7; Greens-
boro, 1.
At Greenville: Winston-Salem, 9;
Greenville, 6.

Lawrence Makes Highest Amateur Rec-
ord of Season at Meet of Deep Run.
The Deep Run Shooting Club held
its first regular meet of the season
yesterday afternoon at the traps of
the Deep Run Hunt grounds. Law-
rence was high gun again, with ninety-
one birds. This is the highest score
made by an amateur on the grounds
this season. Byrd was second, with
eighty-four in one hundred. Lawrence
has been high gun several times this
season, with one tie. The club will
hold its next regular shoot at 6 o'clock
next Saturday afternoon. The score:

Richmonders Who Started for Charlottesville Reported to Have Met With Accident.

The automobile party which left
Richmond yesterday morning for Char-
lottesville to see the baseball game be-
tween the University of Virginia and
Georgetown University had not arrived
in that city at a late hour last night.
No direct message has been received
from the tourists since they be-
gan their journey, but a dispatch from
Charlottesville last night stated that
it was reported there that some of the
machines broke down near Goochland
and that the automobilists spent the
night at that place. Goochland is
about halfway between Richmond and
Charlottesville.

It is believed here that the machines
were stalled on the muddy roads. The
highways between this city and Char-
lottesville are of red clay, and the
heavy rains Friday and early yester-
day morning no doubt made the roads
well-nigh impassable by any vehicle.
The party is expected to return to
Richmond this morning. Among those
who started out with their machines
were Dr. Robert C. Bryan, Elmore
Gochkins, Dr. Stuart McGuire, Fred
Jurgens, John Allen Branch, George
Lassiter, William F. Gordon and E. J.
Ray.
